

INSTRUCTIONS FOR CIRCULATING PETITIONS

Thank you so much for circulating this petition to amend Nevada's Constitution. Please collect 20 signatures (By e-mailing your physical address to angle@iglide.net, you may request a list of registered voters in your neighborhood. There are 100 voters on the list so you will be sure to find 20 at home when you knock on their doors.)

1. Ask each person if they are a registered voter. Then ask "Would you like to sign the petition?"
2. Fill in the petition with a **black ink** pen. If a mistake is made do not cross anything out. Leave the mistake and go on to the next line. Crossing out may be interpreted as tampering with the petition signatures.
3. Make sure that you fill in the county and petition district just under the description of effect on each page. Counties cannot be mixed on a petition. Each petition must contain only signatures from the same county to be verified and the same petition district. The petition District is the Congressional District and must be entered after each signature as well. (The petition district or Congressional District can be found by using the free **iCitizen app** for your iPhone or iPad. To use this app after you have downloaded it, click the Reps button at the bottom, then edit, insert the address and zip, scroll down to the Congressional rep.)
4. When you have collected the signatures have the petition notarized (We have free notaries available or usually your bank will notarize for you free of charge. If you are a notary, we need volunteers to notarize petitions.) Be sure to fill in all the lines of the affidavit including the number of signatures within the petition. Not every signature line must be filled to get the petition notarized. If you decide to do more than one of the petitions you can have them all notarized at the same time. The dates are important but do not all have to be collected on the same day or on the day that the documents are notarized.
5. Put the petition in an envelope preferably a manila envelope so that the petition remains flat not folded or stapled. Each petition must have all 6 pages, which includes that date stamped front page with the petition language, to be complete. Address the envelope to Our Voice PAC PO Box 8262 Reno, NV 89507. Please include \$20 (or more if possible), just \$1 for each signature. You can also donate online at www.sharronangle.com, or mail it with the petition.

Many of the signatures will not be verifiable. An abundance of signatures sends a loud message and a stronger position for success at the ballot box in November of 2016. Thank you for your help.

Happy circulating!!!

A handwritten signature in cursive script, appearing to read "Sharon".
